

## *Streams of Living Water*

***“He who believes in Me as the Scripture has said,  
out of his innermost being will flow rivers of living water.”***

*(John 7:38)*

Dear fellow-servant of the Lord

The twentieth KwaSizabantu Ministers' Conference in South Africa is planned for **6 – 8 March 2017**. We invite you as servant of the Lord to attend this conference, together with your spouse and any colleagues or friends who are involved in Christian ministry. Services are from Monday evening to Wednesday evening, so that you can be with your own congregations over the weekends.

Brethren, as you are well aware, preachers of the Gospel are facing enormous challenges. Sometimes these are outward challenges, like the “Hate Speech” bill that South African legislators might pass in Parliament this year, creating difficulty for pastors to speak the plain truth from the Bible. Sometimes, the challenges are within churches: friction, lukewarmness, factions, etc. However, the theme we have chosen for this year, ***“Streams of Living Water”***, should bring hope to us all. We chose this theme because it is 50 years since the revival began at Maphumulo. We have been celebrating God’s great grace constantly poured out. Streams of life from God cannot be stopped by the world. Wherein lies the problem then? May the Lord use this 2017 Ministers’ Conference to revive all who attend!

Please feel welcome to pass this invitation on to your colleagues in the ministry. Anyone involved in Christian work is invited.

### **SPEAKERS:**

Most speakers have confirmed, and more information about the speakers and their topics will be forthcoming on the KwaSizabantu website: [www.ksb.org.za](http://www.ksb.org.za).

**REGISTRATION:**

For attendance, please send an e-mail to [reception@ksb.org.za](mailto:reception@ksb.org.za) or reply by phone or fax (see contact details below), providing all the names of those who would like to attend, specifying male or female, or couples.

Although food and accommodation is freely provided for, we do request that you bring your own bedding, if possible – except those who come by plane. We will assist those who arrive by plane or bus from far away, with transport to and from the King Shaka International Airport and Durban station / bus-stop. Please let us know when and where to fetch you.

May God grant that this conference will cause each one of His servants to experience those streams of living water flowing from his life to a world that is thirsty and dying.

Looking forward to hearing from you.

In His love
